**MOTION TO OPPOSE DDOT APPLICATION #124989**  
**(MURCH ELEMENTARY MODERNIZATION - RENO ROAD CURB CUT)**  
**MAY 17, 2014**

ANC 3F recognizes that a curb cut on Reno Rd. NW may be a necessary part of the Murch Elementary modernization project, depending on the final project design, which is still not agreed.

In considering any such curb cut the ANC will especially want to consider the likely effects on traffic and pedestrian safety, the impact on existing trees, and the coherence of the overall project design, among other issues.

According to DCPS there are still too many "moving parts" in this project to discuss the details of Application #124949 with the ANC. Accordingly, the ANC cannot support an Application, even one that just presents a concept, if that Application is so uncertain that the Applicant is unprepared to discuss it.

ANC 3F will be happy to engage with DCPS and DGS on the question of curb cuts and any other issues related to the Murch Modernization once DCPS is prepared to discuss the project.

COMMISSIONER NUGENT: MOTION to oppose DDOT Application #124989 (Murch Elementary Modernization - Reno Road Curb Cut) until the application is ready for consideration and the Applicant is prepared to discuss the project with the ANC.

COMMISSIONER JAKOPCHEK: Second.

ANC 3F APPROVED the motion at its meeting on May 17, 2016, which was properly noticed and at which a quorum was present, by a vote of six (6) in favor and none (0) opposed or abstaining.
