Dear Ms. Moldor,

Rock Creek Conservancy would like to sincerely thank ANC 3F for the generous donation of \$3,000.00 on April 17, 2017. We will put this gift to work immediately to protect and revitalize Rock Creek.

This support is truly valuable. As the only organization that works to protect the whole of the Rock Creek watershed, we are growing and expanding with ambitious programs including invasive species removal initiatives and trash cleanups. We advocate for protection of Rock Creek before state and local agencies, work with park neighbors to promote green practices on properties near the park, and develop strategic partnerships throughout the Rock Creek community with key institutions such as embassies, schools, and churches. The support of ANC 3F is critical to these efforts!

With your help, we can work toward a vibrant, accessible, and healthy Rock Creek that all people can treasure and enjoy.

Best wishes,

Matthew Fleischer
Executive Director

*Thank you so much for your
support of this program!*
Bet, Matt
