Board of Zoning Adjustment

Application No. 18740 of Sheridan School Inc., pursuant to 11 DCMR §§ 3104.1, for a special exception under § 206 to allow the continued operation of an existing private school¹ with an increase in student enrollment from 226 to 230, in the R-2 District at premises 4400 36th Street, N.W. (Square 1968, Lot 10).

HEARING DATE: April 15, 2014

DECISION DATE: April 15, 2014

SUMMARY ORDER

SELF CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2. (Exhibit 5.)

The Board of Zoning Adjustment ("Board" or "BZA") provided proper and timely notice of the public hearing on this application by publication in the *D.C. Register* and by mail to Advisory Neighborhood Commission ("ANC") 3F and to owners of property within 200 feet of the site. The site of this application is located within the jurisdiction of ANC 3F, which is automatically a party to this application. ANC 3F submitted a timely written report, dated March 23, 2014, in which the ANC indicated that at a properly noticed, regularly scheduled public meeting held on March 18, 2014, with a quorum present, the ANC voted unanimously (5:0:0) to support the application's request for an increase in enrollment but not to support the permanent removal of a term limit. (Exhibit 22.)

The Office of Planning ("OP") submitted a timely report on April 8, 2014, recommending approval of the application with the revised conditions submitted by the Applicant, including the removal of the term limit of approval. (Exhibit 26.) The District Department of Transportation ("DDOT") submitted a letter recommending "no objection" together with a waiver of the time

¹ This use of the property as a private school was previously approved by the Board in BZA Order Nos. 7282 (July 2, 1963), 13089 (February 27, 1980), 15656 (December 23, 1992), and 16977 (February 4, 2004).

requirements to submit the report. (Exhibit 28.) Previously, DDOT had provided a timely report but with no recommendation since it required more information. (Exhibit 24.)

The Applicant satisfied the burden of § 3119.2 in its request for special exception relief to allow an increase in student enrollment from 226 to 230 and continued operation of an existing private school under §§ 3104.1 and 206. No parties appeared at the public hearing in opposition to the application. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

The Board concludes that the Applicant has met the burden of proof for special exception relief, pursuant to 11 DCMR §§ 3104.1 and 206 that the requested relief can be granted as being in harmony with the general purpose and intent of the Zoning Regulations and Map. The Board further concludes that granting the requested relief will not tend to affect adversely the use of neighboring property in accordance with the Zoning Regulations and Map.

Pursuant to 11 DCMR § 3100.5, the Board has determined to waive the requirement of 11 DCMR § 3125.3, that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party and is appropriate in this case.

It is therefore **ORDERED** that this application be **GRANTED SUBJECT TO FOLLOWING CONDITIONS**:

Within 14 days of an event when a school bus or van is parked on the property, the Applicant shall report to the community liaison group on its good-faith efforts to make arrangements for alternative off-site parking arrangements. Thereafter, the Applicant shall continue to report to the group on a biweekly basis until the bus or van is relocated off property.

11. All mechanical equipment associated with the central heating and cooling (“HVAC”) systems shall be located in the basement of the school building or in other interior areas of the building, except that new or replacement HVAC equipment may be installed and operated on the exterior of the building (including its roof) so long as the new or replacement HVAC equipment (a) generates operating noise no greater than the noise generated by the HVAC equipment it replaces, (b) is screened from neighboring property, and (c) is no larger in size, shape, or profile than the HVAC equipment it replaces. Any HVAC equipment not permitted by this paragraph shall require Board of Zoning Adjustment approval as a modification of the special exception approved in this Order.

 - a. During activities or events at the school, ingress and egress shall be restricted to the building’s main entrance on 36th Street, N.W.
 - b. The Applicant shall deliver to all members of the community liaison group all notice of planned activities or events at least one week in advance by mail or electronic mail.
 - c. With the exception of the farmer’s market, the Applicant shall be restricted to a maximum of 12 activities or events of 50 or more persons.
13. The Applicant shall not allow the use of the property for commercial or profit-making functions or activities such as dances, concerts, exercise classes, or other events. This condition shall not apply to the CASA or similar summer educational program or summer camp traditional to an elementary school offered by the Applicant or to the farmer’s market operating at the property.
14. The Applicant shall use its best efforts to ensure that:
 - a. Students enter and exit the school building by either the 36th Street entrance or the playground doors closest to 36th Street that face Yuma Street;
 - b. Faculty and staff enter and exit the school building through (i) the doors located on 36th Street, (ii) the doors adjacent to the Yuma Street playground, or (iii) the doors adjacent to the parking area on Alton Place for faculty and staff who park their vehicles in that parking area; and
