

2018

Forest Hills Playground Fall Festival/Halloween Party
HEALTH & SAFETY and SECURITY PLANS

1) HEALTH AND SAFETY PLAN- The Friends of Forest Hills Playground Halloween/Fall Festival is located at the Forest Hills Park on Chesapeake Street, walking distance from the local fire department. In the event of a medical or other emergency, we will call 911, and we will have volunteers available to assist attendees until help arrives. We will also have water on site.

2) SECURITY PLAN - The Friends of Forest Hills Playground has a team of volunteers, including our Board Members, who will help with the Halloween/Fall Festival. We will have volunteers stationed throughout the park who will be connected with one another to help ensure the safety of the public. They have been instructed to keep an eye out for any problems. In the event of an emergency, they will dial 911.

3). BATHROOM – There is a port-a-potty onsite at the adjacent field.

4.) PARKING – This is an event for the neighborhood and surrounding community; we expect most people to be walking from the surrounding apartment buildings and homes. There are no “special” participants (e.g., food trucks) that would need/take up residential parking spots.

5.) TRASH – as with all playground events, we expect people to utilize the 4-5 city-provided trash cans throughout the playground and park. Friends of FH will bring extra trash bags if needed and have volunteers who will assist in clean up after the event is complete.

Thanks for your continued support and we hope to see you there!
