RE: BZA Case 17703C – Sidwell Friends School New Condition #6

Dear Mr. Hill,

I am the Chair of ANC 3F and am writing in my capacity as such. SMD 3F01 in which Sidwell Friends is located is currently vacant. I am the Commissioner for 3F06 which is directly adjacent.

I am in support of this agreement with new Condition #6. I agree with DDOT that this is an excellent opportunity to expedite the construction of the original pedestrian improvements identified in the 2/23/16 DDOT Report for 17703A (as referenced in original Condition #6 in the 3/29/16 Summary Order) and the proposed language below accomplishes that.

This new condition was agreed upon by community stakeholders including myself. Had this condition been made prior to ANC 3F's January meeting, I am sure the ANC would have passed a resolution endorsing it as well. As such, I am writing in my personal capacity as Chair to endorse this condition.

Regards,
