Resolution Supporting Construction of Sidewalk on 3300 Block of Fessenden St. NW

WHEREAS, The District Department of Transportation Sidewalk Installation Guidelines and Policy of 2015 states that “There shall be a sidewalk on at least one side of every street or roadway where pedestrians are legally permitted in the District of Columbia”, and that “For roadways that are missing sidewalks, but where no major construction project is currently planned, new sidewalk installation shall be prioritized for school areas, routes that provide access to parks and recreational facilities, transit stops, locations where the absence of a sidewalk creates substantial pedestrian safety risks, and roadway segments for which residents petitioned to have sidewalks”; and

WHEREAS, Mayor Muriel Bowser has expressed her support for the United States Department of Transportation's Mayor's Challenge for Safer Streets; and

WHEREAS, The Federal Highway Safety Administration has determined that roadways without sidewalks are more than twice as likely to have pedestrian crashes as sites with sidewalks; and

WHEREAS, The pedestrian traffic, consisting of families and individuals in the area of ANC3F near the intersection of Fessenden St. NW and Broad Branch Terrace NW require a network of sidewalks allowing safer access to the Murch School, the Forest Hills Playground, Connecticut Avenue NW merchants, bus stops and the Metro, and Fessenden Street NW; and

WHEREAS, The residents of the affected requested sidewalks and crosswalks, as demonstrated by a petition signed by a majority of the residents;

NOW THEREFORE BE IT RESOLVED THAT: ANC3F requests that the District Department of Transportation:

1. complete the sidewalk on the **north** side of the 3300 block of Fessenden St. NW so that it extends to Broad Branch Terrace, NW;
2. extend the sidewalk on the west side of 32nd St. between Ellicott and Fessenden, then west on Fessenden along the curve to the stop sign on the west side of the alley, at the Broad Branch Terrace intersection;
3. add a new crosswalk at Fessenden connecting south and north sides of Fessenden at Broad Branch Terrace intersection;
4. extend the sidewalk on the south side of Fessenden between Linnean Avenue and 32nd Street;

BE IT FURTHER RESOLVED that Commissioners Ray and Molod are authorized to speak on behalf of ANC 3F regarding this issue.

ANC 3F approved this resolution at its meeting on October 20, 2015, which was properly noticed and at which a quorum was present, by a vote of 7 in favor, 0 opposed, and 0 abstaining (7-0-0).

District Department of Transportation

Petition for Sidewalk Installation

Mail or Present Petition(s) to:
District Department of Transportation, Customer Service Clearinghouse
55 M Street, SE - 7th Floor, Washington, D.C., 20003
Phone: (202) 671-2800

Block Representative _____

Address _____ Telephone _____

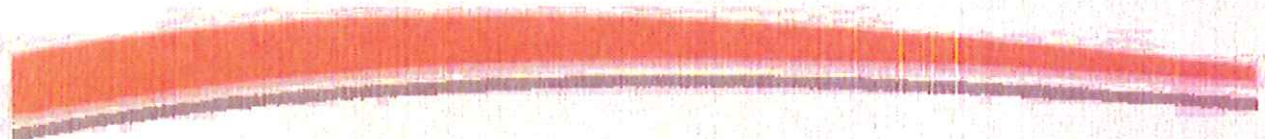

Signature _____ Date _____

Confirmed by
ANC Commissioner Andrea Milod (Andrea Milod) ANC 3F
(Printed name and Signature)

This petition must contain the signatures of a majority of the households on the side of the block where the sidewalk is requested to be installed (one adult signature per household). The residents are aware that the sidewalk may be installed in front of their residences. The ANC petition endorsement process represents ANC confirmation that the residents concur and the signatures are accurate.

Also, the local ANC needs to hold a public meeting about the sidewalk installation request before DDOT can proceed with the installation of a new sidewalk.

The undersigned residents of the _____ side (for example, odd or even; or north, south, west, or east side) of the _____ hundred block(s) of _____ (Street Name) petition the District Department of Transportation (DDOT) to install a sidewalk on this block.
