To DCRA:

ANC 3F has “no objection” to Pepco’s permit application for after-hours work at 4201 Wisconsin Avenue, NW, in June 2019, in connection with the installation and splicing of cable which is related to the ongoing modernization of the Harrison Substation at 5210 Wisconsin Avenue, NW. We understand that this work will take approximately 7-days, 24 hours a day to complete, that it must be done continuously until completion and that crews will be working around the clock on 12-hour shifts.

Thank you,

 5/21/19  
David Dickinson, Chair  
ANC 3F
